

# Roofing Price List 2021

1ST JANUARY 2021

# My Account. YOUR PLACE TO GO.

The easy way to manage your roofing projects online.

Manage your account 24/7.

My Account is the easy way to manage your account with us. Designed with a simple-to-use dashboard and clear navigation, you can get what you need at the click of a button.

All at your fingertips...

- Orders and delivery dates
- View quotes
- Find prices
- Find the latest product lead times
- Find your local sales and customer service contact details
- Leave feedback or raise a concern
- Be one of the first to access the latest news and updates
- Request literature and samples
- Access training
- View multiple branches under your remit
- Manage user access for your branch

If you do not already have access, you can register for an account by visiting [marley.co.uk/my-account](https://marley.co.uk/my-account)

You will need your account name, location and account number and we'll get you set up.

# ORDERING, DELIVERY & COLLECTIONS

## SERVICE GUIDE

The Marley service guide gives you an overview of our ordering, delivery, collections and returns guidance. To keep up to date with the latest information visit My Account.

**[marley.co.uk/my-account](http://marley.co.uk/my-account)**

All prices listed are net and exclude VAT.

The price list does not constitute an offer and all products are sold subject to Marley's Terms and Conditions of Sale. For the full details, visit

**[marley.co.uk/terms-conditions](http://marley.co.uk/terms-conditions)**

## ORDER CHECKLIST

To process your orders swiftly, please provide the following information:

- ▲ Full delivery address, including house number and postcode
- ▲ Where possible, site contact name, phone number and vehicle offload details
- ▲ Quotation number
- ▲ Quote price supplied against each item
- ▲ Order in pallet, banded or pack quantities
- ▲ Clear product descriptions, including colour
- ▲ Delivery restrictions/specific vehicle requirements
- ▲ Preferred delivery date
- ▲ In the case of collections, indicate the location where the product will be collected from

## 01 ORDERING

- ▲ All orders must be emailed to **[orders@marley.co.uk](mailto:orders@marley.co.uk)**
- ▲ When your order is processed, an order acknowledgement will automatically be sent
- ▲ For deliveries, you will receive an indicative delivery notification advising the delivery date, vehicle type, a full list of products, quantities and their weights
- ▲ Any discrepancies should be immediately communicated to Customer Services

### AMENDMENTS TO ORDERS

- ▲ Amendments to delivery orders cannot be accepted the day prior to the planned delivery date
- ▲ Amendments to orders can only be accepted if the order has not been shipped and in the case of additions, there is adequate space remaining on the vehicle

### CANCELLATIONS

- ▲ Where cancelling an order, a minimum notice period of 48 hours before the scheduled delivery date is required
- ▲ A charge of 25% of the cancelled order value will be applied where the customer has failed to provide notice within this period
- ▲ Persistent cancellation of orders, even with 48 hours' notice, could result in future orders not being accepted

### MADE TO ORDER PRODUCTS

- ▲ Written confirmation, accepting our made to order terms of sale, will be required before production is scheduled
- ▲ Orders cannot be amended or cancelled once production has commenced
- ▲ An indicative lead time for the supply of Made to Order products will be confirmed at the time of order
- ▲ Orders must be despatched in full within 2 weeks of the product becoming available
- ▲ Orders not delivered/collected within 2 weeks will automatically be delivered to your yard

### SURCHARGES

- ▲ A £100 surcharge will be applied to all roofing orders that are below £500 (excluding VAT)
- ▲ A specialised vehicle surcharge of £20 will be applied to all deliveries requiring a mechanical off-load vehicle
- ▲ Deliveries outside of mainland UK are subject to a delivery surcharge
- ▲ Marley SolarTile® products are delivered via courier and are subject to a £150 carriage charge per pallet

# ORDERING, DELIVERY & COLLECTIONS

## 02 DELIVERY

- ▲ Deliveries must comply with Marley's minimum order quantities. See page 7 for details
- ▲ Deliveries for concrete tiles will be in full pallet quantities only
- ▲ Deliveries below minimum order quantities may be subject to an additional small order surcharge
- ▲ All deliveries are made between 8:00am - 5:00pm at unspecified times
- ▲ Charges will be applied to all deliveries which take over 1 hour
- ▲ Someone must be on site to accept delivery, check the goods and sign the proof of delivery
- ▲ Deliveries are made to kerbside and require hardstanding ground
- ▲ Suitable offload facilities need to be available for timber products
- ▲ Customers must inform Marley of vehicle/access restrictions
- ▲ Drivers have the right to refuse to offload material if deemed unsafe
- ▲ Orders cannot be split and must be delivered on the same delivery date, in full to the same location
- ▲ Marley endeavour to deliver on the agreed date, however the date or time cannot be guaranteed, and we do not accept liability of consequential losses
- ▲ Guidance on deliveries is available to view on My Account at **marley.co.uk/my-account**
- ▲ For the safety of you and your customers and to prevent product damage, all Marley products should be stacked in accordance with the published stacking guidance, available to view on My Account at **marley.co.uk/my-account**

### LEAD TIMES

- ▲ Marley aim to deliver within 5 working days, subject to vehicle type, product availability, order quantity and geographical location
- ▲ For the latest lead times, log into My Account at **marley.co.uk/my-account**

## 03 COLLECTIONS

- ▲ Orders must be placed with the Customer Services Department prior to the driver arriving on site
- ▲ Customers are advised to have a valid sales document number which can be found on the order acknowledgment, before arriving on site
- ▲ Collections must be made within 5 working days of the order confirmation and any collection exceeding 5 days will be automatically cancelled
- ▲ Collections for concrete tiles will be in full pallet quantities only
- ▲ Once the vehicle has been loaded it is the responsibility of the customer or their designated haulier to check the load and sign the proof of collection. Loads can be checked prior to departure in a designated safe location
- ▲ Guidance on customer collections is available to view on My Account at **marley.co.uk/my-account**
- ▲ Ensure that they do not move their vehicle until instructed by the loader
- ▲ Customers should employ methods of load security that do not require the driver to access the rear of the vehicle
- ▲ We will not permit standing on top of the load at any Marley site without the use of a fall arrest system or netting station

### SITE GUIDANCE - PERSONAL PROTECTIVE EQUIPMENT

All drivers collecting materials on site are required to use personal protective equipment (PPE) as listed below:

- ▲ Hi-visibility vest or jacket
- ▲ Safety glasses or goggles (normal prescription glasses are not accepted as suitable eye protection)
- ▲ Safety footwear must be worn whilst out of the cab
- ▲ A hard hat with chinstrap must be worn whilst on the back of the vehicle (including crane)

### VEHICLE LOADING

All drivers collecting products must adhere to the on site health and safety instructions as summarised below:

- ▲ Follow instructions given by the loading team at all times
- ▲ Remain in the cab of their vehicle with their engine switched off and parking brake applied during delivery
- ▲ Make full and proper use of the lorry netting station where available

# ORDERING, DELIVERY & COLLECTIONS

## 04 AFTERSALES

### RETURNS

- ▲ For any product return, Customer Services must be notified within 14 days of receipt of the goods
- ▲ Returns outside of these dates will not be accepted under any circumstances
- ▲ Items returned will incur a re-stocking charge
- ▲ No refunds will be made in respect of haulage charges
- ▲ All items must be returned in their original packaging and sufficiently protected to avoid any damage
- ▲ Should the goods be returned and deemed unfit for resale, you will be charged for the goods in addition to the restocking and haulage charges already applicable
- ▲ Once the goods have been received in a resalable condition, any sum debited to us will be re-credited to your account
- ▲ If you do not return the goods delivered to you or do not pay the costs of delivery, we will be entitled to deduct the direct costs of recovering the goods from the amount to be re-credited to you
- ▲ Made-to-order products are non-returnable

### DAMAGES

- ▲ Notification of claims for damaged materials must in all cases be made within 24 hours of receipt (excluding weekends)
- ▲ Once a delivery ticket is signed, Marley do not accept responsibility for damage or discrepancy
- ▲ Full Terms and Conditions of Sale can be viewed at [marley.co.uk/terms-conditions](https://marley.co.uk/terms-conditions)

## 05 PALLET RETURNS

As part of our commitment to reduce waste packaging, we operate the Marley pallet returns scheme.

The scheme runs across our sites for concrete and clay plain product pallets. We can only accept Marley pallets that are in good condition, with no damage and where they contain no other waste materials. Our aim is to bring these pallets back into operation for future orders.

We will issue a credit for each Marley pallet received that matches this criteria.

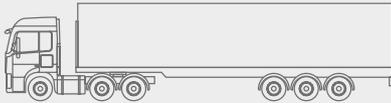

For more information on how to take part in the Marley pallet return scheme, please visit My Account [marley.co.uk/my-account](https://marley.co.uk/my-account)

**Full Marley Terms and Conditions of Sale can be found at [marley.co.uk/terms-conditions](https://marley.co.uk/terms-conditions)**

# ORDERING, DELIVERY & COLLECTIONS

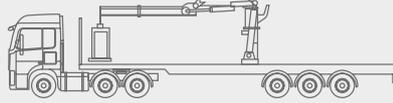

## VEHICLES

Customers are required to advise if they require a restricted or unrestricted vehicle. For batten deliveries, please contact your customer sales advisor for details of the vehicle types and delivery options. A specialised vehicle surcharge of £20 will be applied to all deliveries requiring a mechanical off-load vehicle.

### ARTIC

- ▲ Flat bed or taut-liner
- ▲ Largest carrying capacity and availability
- ▲ Can carry up to 26 tonnes
- ▲ Customer to provide offloading facility

### UNRESTRICTED WITH OFFLOAD

- ▲ Artic with crane or moffett
- ▲ Can carry around 25 tonnes
- ▲ Offloaded with either a moffett or crane depending on availability
- ▲ Where a moffett is chosen by Marley, the max. travel distance is 50 metres

### WAGON AND DRAG

- ▲ Can carry around 22 tonnes
- ▲ Wagon and drag with either a moffett or crane offload facility depending on availability
- ▲ Where a moffett is chosen by Marley, the max. travel distance is 50 metres
- ▲ Trailer will only be dropped with prior agreement and may be subject to a charge
- ▲ Allow 2 extra days rolling

## HOW DO I FIX MARLEY TILES?

For all sitework and installation information, get a copy of our comprehensive Sitework Guide or download the App: Search for 'Marley' at the App Store or Google Play.

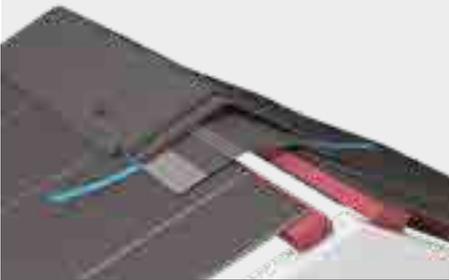

# Slate accessories

# SLATE ACCESSORIES

## PLEASE NOTE:

For ventilated dry ridge and top abutment systems, please see page 30.

### UNIVERSAL RIDGE ROLL

Simple and rapidly installed dry fix system providing 5mm continuous ridge ventilation. Compatible with fibre cement slates and ridges.

	Code	Price
Ridge roll (6m)	33010	£53.60

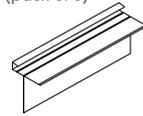

Fibre cement slate vented filler unit	41705	£0.72 (each)
---------------------------------------	-------	--------------

### CONTINUOUS SLATE DRY VERGE

Easy-to-install continuous dry fixed verge system, providing neat weatherproof and durable finish for slates.

	Code	Price
Verge trim (3m) (pack of 8)	42206	£189.44

### GRP SLATE DRY VALLEY SYSTEM

Developed to allow the designer freedom to specify a completely mortar-free roof, this system utilises the latest GRP technology. The advanced and unique parabolic gutter section improves discharge rates without added gutter depth.

	Code	Price
Valley trough (3m)	30578	£35.98

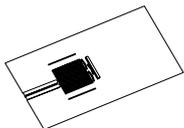

### IN-LINE SLATE VENTILATOR

Ideal for roofs where the normal ventilation airpath is blocked by valleys, abutments, hips, dormer windows and firebreaks or party walls or where it is not possible to incorporate standard eaves or ridge ventilation.

	Code	Price
In-line slate ventilator	EU_UNIVSLATEVENT	£34.64

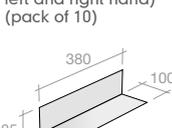

In-line slate vent adaptor	EU_INLINESLATEADAP	£37.30
Flexible pipe	39091	£20.72

### DRY FIX SOAKERS

The Marley range of individual dry soakers are an easy to install, lightweight and highly affordable way to reduce both the material and labour costs associated with lead at side abutments.

	Code	Price
Dry soaker (for both left and right hand) (pack of 10)	30480	£16.75

### SLATER'S TUB AND FIXINGS

- ▲ All the fixings you need in a tub
- ▲ Perfectly shaped to sit safely on roof
- ▲ 2000 copper nails (30 x 2.65mm gauge)
- ▲ 1000 copper disc rivets
- ▲ Complies with BS 5534

	Code	Price
Slater's Tub	30213	£108.06
Copper disc rivets	30211	£54.39 (per 1000)
Copper nails (30mm x 2.65mm)	30212	£27.64 (per 1000)
Slate hooks (150mm x 3mm)	EU_SLATEHOOKS	£101.63 (per 500)
Self-sealing screws (60mm x 14 gauge) (Blue/Black)	EU_SSEALSCREW60BB	£83.13 (per 100)

▲ CONTACT OUR ROOFING TEAM ON 01283 722849

# Shingles & Shakes

# SHINGLES & SHAKES

## SHINGLES

Blue label 5X shingles are:

- ▲ 100% Heartwood – strong and durable
- ▲ 100% Edge grain – dimensionally stable
- ▲ 100% Clear – free from knots and defects

Shingle treatment	Price per bundle
Clean	POA
Preservative treated (40 year guarantee)	POA
Fire retardant treatment (FRT)	POA

### Estimating and coverage

Use	Max gauge	Coverage m <sup>2</sup> per bundle
Vertical application (75° - 90°)	175mm	3.20
Roofs 22° - 74°	125mm	2.28
Roofs 14° - 21°	95mm	1.73

## PRE-FORMED HIPS AND RIDGES

Hip/ridge treatment	Price per bundle
Clean	POA
Preservative treated (40 year guarantee)	POA
Fire retardant treatment (FRT)	POA

### Estimating and coverage

Use	Max gauge	Coverage linear metre per bundle
Roofs over 22°	125mm	4.50
Roofs 14° - 21°	95mm	3.40

## ▲ SHINGLES & SHAKES GUIDE

Download our Shingles & Shakes guide by visiting: [marley.co.uk/brochures](http://marley.co.uk/brochures)

## SHAKES

Western Cedar Shakes hand split, premium grade, PEFC certified.

Shake treatment	Price per bundle
Clean	POA
Preservative treated (40 year guarantee)	POA
Fire retardant treatment (FRT)	POA

### Estimating and coverage

Use	Max gauge	Coverage m <sup>2</sup> per bundle
Vertical application (75° - 90°)	267mm	1.90
Roofs 30° - 74° <sup>1</sup>	190mm	1.39
Roofs 20° - 29° <sup>2</sup>	250mm	1.83

<sup>1</sup> Maximum gauge 190mm if using a 3 ply construction with no interleaving or felt baffle.

<sup>2</sup> Must use felt interleaving or felt baffle between each course.

## ACCESSORIES

Accessory	Price per kg
31 x 1.8mm Stainless steel nails	£17.54
45 x 2.65 Stainless steel nails	£16.47
31 x 1.8mm Silicon bronze nails	£18.03
45 x 2.65 Silicon bronze nails	£17.85
Ridge Roll Vent* (6m rolls)	£91.69

\* When using Roll Vent Ridges, ridges must be made on site using traditional method.

### Estimating and coverage

Product	Coverage
Shingles - 2 No. 31 x 1.8mm nails	1kg for 6 bundles
Ridges - 4 No. 45 x 2.65mm nails	1kg for 3 bundles
Shakes - 2 No. 45 x 2.65mm nails	1kg for 4 bundles

Notes:

POA - price on application

A Shingle is sawn on both sides, giving a relatively smooth face and back.

A Shake is hand split along the natural grain of the wood and then sawn to produce one smooth surface.

1 Bundle of shingles is required for every 18 ln/m as double starter course. Allow extra for cutting and waste, for a simple roof around 5%, for more complex roofs up to 20%.

24 Bundles Shingles on a full pallet.

20 Bundles Shakes on a full pallet.

Minimum order 1 pallet without delivery surcharge.

# Accessories

# UNIVERSAL UNDERLAYS

## UNIVERSAL VAPOUR PERMEABLE UNDERLAY (BREATHABLE)

Universal vapour permeable underlay is a high performance breathable membrane for pitched roofs. Supplied in 1m x 50m rolls with integrated tape for sealing laps, the underlay is fully compliant with BS 5534 and suitable for all UK wind zones 1-5.

- ▲ Vapour permeable
- ▲ High tensile and tear strength
- ▲ Easy to handle
- ▲ Durable
- ▲ Fabric weight 170g/m<sup>2</sup>
- ▲ UV resistant
- ▲ BBA approved – Certificate No.19/5678
- ▲ Integrated tape for sealing laps
- ▲ Guidance lines for minimum laps
- ▲ For use in UK wind zones 1-5

Code	Weight	Dimensions	No. per pallet	Price
33150	170g/m <sup>2</sup>	1m x 50m	25 rolls	£112.40

### Minimum overlaps

Roof pitch	Horizontal laps		Vertical laps
	Not fully supported	Fully supported	
12.5° - 14°	225mm	150mm	100mm
>15°	150mm	100mm	100mm

## UNIVERSAL 125 VAPOUR PERMEABLE UNDERLAY (BREATHABLE)

Universal 125 Vapour Permeable Underlay is a light weight, low resistance vapour permeable roofing underlay. It is durable and flexible, allowing for easy installation, and offers temporary protection against wind driven rain, snow and dust.

- ▲ Fabric weight 125g/m<sup>2</sup>
- ▲ Vapour permeable
- ▲ High tensile and tear strength
- ▲ Easy to handle
- ▲ Durable
- ▲ UV resistant
- ▲ Integrated tape for sealing laps
- ▲ Guidance lines for minimum laps
- ▲ For use in UK wind zones 1-5

Code	Weight	Dimensions	No. per pallet	Price
33155	125g/m <sup>2</sup>	1m x 50m	39 rolls	£59.17

### Minimum overlaps

Roof pitch	Horizontal laps		Vertical laps
	Not fully supported	Fully supported	
12.5° - 14°	225mm	150mm	100mm
>15°	150mm	100mm	100mm

## UNIVERSAL NON-VAPOUR PERMEABLE UNDERLAY (NON-BREATHABLE)

Universal non-vapour permeable underlay is a lightweight, high performance membrane for pitched roofs. Supplied in 1m x 45m rolls with integrated tape for sealing laps, the underlay is fully compliant with BS 5534 and suitable for all UK wind zones 1-5.

- ▲ Non-breathable
- ▲ High tensile and tear strength
- ▲ Easy to handle
- ▲ Durable
- ▲ UV resistant
- ▲ BBA approved – Certificate No.19/5673
- ▲ Lightweight alternative to traditional IF
- ▲ Integrated tape for sealing laps
- ▲ Guidance lines for minimum laps
- ▲ For use in UK wind zones 1-5

Code	Weight	Dimensions	No. per pallet	Price
33145	116g/m <sup>2</sup>	1m x 45m	46 rolls	£59.17

### Minimum overlaps

Roof pitch	Horizontal laps		Vertical laps
	Not fully supported	Fully supported	
12.5° - 14°	225mm	150mm	100mm
>15°	150mm	100mm	100mm

# JB RED BATTENS

## JB RED

The recent update to BS 5534 changed the requirements for roofing battens. Only battens that have been pre or factory graded to BS 5534 can be called or used as 'Roofing Battens'.

JB Red completely meets the BS 5534 and NHBC requirements for fully graded roofing battens. Its RED colour means that it is highly visible on site, therefore Local Authority Building Control, NHBC and other inspectors can see that high quality, pre-graded and compliant battens have been used.

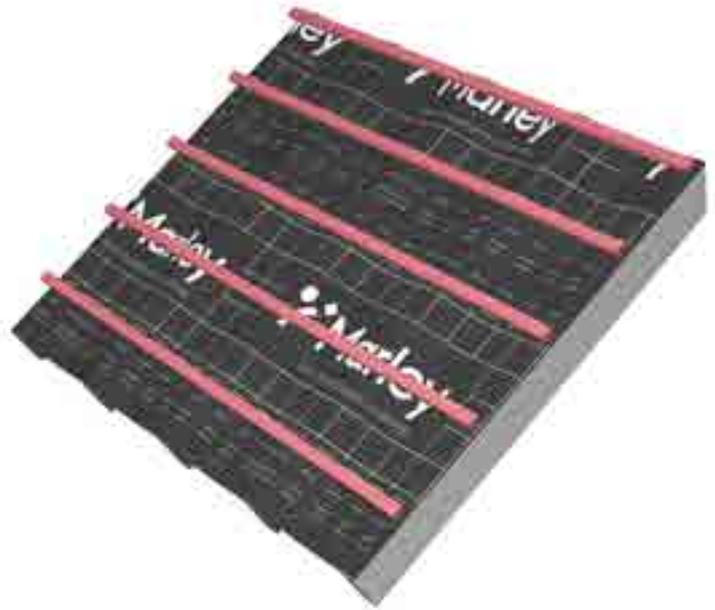

JB Red roofing battens have full chain of custody certification.

### BENEFITS OF JB RED

- ▲ Pre-graded to all the size and strength requirements of BS 5534 for roofing battens
- ▲ Marked according to BS 5534 showing supplier name, origin/species, grade and size
- ▲ The product and process is UKAS third party assessed by the BBA with a BBA Agrément certificate
- ▲ JB Red is LABC registered and is approved for use by local authorities
- ▲ Manufactured from slow grown, high grade timber
- ▲ Only kiln dried sideboard timber is used to ensure stability and dimensional accuracy
- ▲ Treated to BS 8417 Usage Class 2, using Koppers MicroPro™ with a unique red colour
- ▲ Carries a 60 year lifetime guarantee against insect attack and wood rotting fungi (when installed correctly in accordance with the requirements of Usage Class 2)
- ▲ Reduced wastage through state of the art mechanical grading

JB Red is a high quality, MicroPro™ treated, mechanically graded roofing batten which meets both the requirements of the NHBC and also the latest British Standard BS 5534.

JB Red is manufactured using a state of the art, high speed camera and laser grading machine to ensure consistent levels of size and quality (BBA Certificate 19/5668).

Size (mm)	Pieces per bundle	Bundles per pack	Full load	Price per 100m
25 x 38	10	56	20	£69.79
25 x 50	10	44	20	£84.49
38 x 50	10	6		£179.98
50 x 50	8	6		£236.84

### PLEASE NOTE:

- Minimum order quantity applies and may be subject to a lead time. Please contact your Customer Service Advisor. Where possible, we will accommodate customer requirements with a fair spread of lengths from 3.6m up to 5.4m.

▲ CONTACT OUR BATTENS TEAM ON 01283 722820

## JB GREEN BATTENS, COUNTER BATTENS AND OTHER TIMBER

### Preservative treated

JB Green is a range of traditional standard quality, sawn timber, preservative treated batten. Suitable for use as counter battens and for all internal applications.

Size (mm)	Pieces per bundle	Bundles per pack	Price per 100m
19 x 38	10	70	£55.75
19 x 50	10	55	£58.06
25 x 38	10	56	£58.27
25 x 50	10	44	£75.46

### Large section roofing, counter and non-standard battens

Treated with preservative treatment

Size (mm)	Pieces per bundle	Bundles per pack	Price per 100m
25 x 100	6	12	£131.80
38 x 50	6	10	£123.41
47 x 50	6	10	£129.63

### JB SPECIALITY

Marley offers a full range of roofing timbers, for use above truss or rafter level – all of which are treated with preservative.

Lead roll

Corner to corner

Feather edge/firring

Size (mm)	Pieces per bundle	Bundles per pack	Price per 100m
50 x 50 Corner to corner	12	8	£118.07
50 x 50 Firing	12	8	£118.07
50 x 50 Lead Roll	60	1	£214.12
38 x 50 Zinc Roll	60	1	£189.00
75 x 75 King Roll	24	1	£461.41

### Counter battens

Marley offers a range of counter battens, for use when matching in with existing battens or when used over wider rafter centres. Available in a range of sizes, treated with clear preservative.

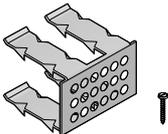

Size (mm)	Pieces per bundle	Bundles per pack	Price per 100m
6 x 25	100	8	£36.18
10 x 38	24	14	£40.74

### UNIVERSAL BATTEN END CLIP (BS 8612)

Universal batten end clips can be easily and quickly fitted to batten ends to provide secure fixings for dry verge systems and are BS 8612 compliant. They can be used for all 25 x 38mm and 25 x 50mm battens. Supplied with nails for fixing to dry verge.

Size (mm)	Code	Price per tub
	30214	£54.66

### PLEASE NOTE:

- Minimum order quantities apply and may be subject to a lead time. Please contact your Customer Service Advisor.

# UNIVERSAL ROOFING ACCESSORIES

## ONE SYSTEM, GUARANTEED

Universal accessories are suitable for use with Marley roofing products and those of other manufacturers.

### RIDGEFAST SYSTEM

For use with all tiles, slates and standard ridges

	Code	Unit	Price
Universal RidgeFast system (6 metres)	53300	pack	£99.55
RidgeFast blanking tape (2 x 2 metres)	33001	each	£13.00
RidgeFast/HipFast union pack (6 no. unions)	53303	each	£12.62
16 No. 100mm x 4.8 deep ridge screw pack (for use with clay profiled tiles)	70000	pack	£4.31

### HIPFAST SYSTEM

For use with all tiles, slates and standard hip tiles

	Code	Unit	Price
Universal HipFast system (6 metre)	53400	pack	£121.34
Universal HipFast support tray (6 metre)	34002	pack	£17.74
RidgeFast/HipFast union pack (6 no. unions)	53303	each	£12.62

### EAVES VENT SYSTEM

For use with all tiles and slates

	Code	Unit	Price
Universal 10mm eaves vent system (6 metres)	46350	pack	£36.74
Universal 25mm eaves vent system (6 metres)	46351	pack	£48.00
Comb filler strip (6 x 1 metre)	30425	each	£2.06
Continuous rafter roll (2 x 6 metres)	46323	each	£33.17
Felt support tray (10 pack)	42340	each	£14.06

### FELT SUPPORT TRAY

Supports roofing underlay and prevents water ponding

	Code	Unit	Price
Felt support tray 1.5 m (10 pack)	42340	each	£14.06

### FLEXFAST LEAD REPLACEMENT ROLL

Fast, economical and durable substitute for lead flashing

	Code	Unit	Price
 5m x 300mm roll	42610	each	£66.31
5m x 450mm roll	42611	each	£89.54
Trim 2.5m	42345	each	£15.70

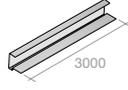

### BATTEN END CLIP

Suitable for use with all dry verge systems

	Code	Unit	Price
25 x 38mm (pack 56)	30214	each	£54.51
25 x 50mm (pack 56)	30214	each	£54.51

### CONTINUOUS DRY VERGE

Suitable for use with Ashmore, Edgemere, concrete and clay plain tiles

	Code	Unit	Price
 Verge section (3m) (for end caps, see Universal dry verge system). Available in black only.	38501	each	£28.15
Fixing kit (1 required per verge section)	38510	each	£9.92

▲ CONTACT OUR ROOFING TEAM ON 01283 722849

## DRY VERGE SYSTEM

For use with large format tiles (standard or thin leading edge), medium format tiles (15 x 9) and Lincoln interlocking clay tiles†.

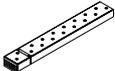

See page 31 for Edgemere dry verge and page 29 for Ashmore dry verge.

		Code	Unit	Price
	Left hand verge unit			
	Brown	39113	each	£6.20
	Grey	39111	each	£6.20
	Terracotta	39114	each	£6.20
	Right hand verge unit			
	Brown	39213	each	£6.20
	Grey	39211	each	£6.20
	Terracotta	39214	each	£6.20
	Universal dry verge starter kit Kits contain: 2 no. Bracket assemblies, 2 no. Plastic filler units, 10 no. 30mm stainless steel screws, 4 no. 50mm stainless steel screws.	53931	each	£5.84
	Segmental ridge end cap	395*	each	£6.14
	Modern ridge end cap	394*	each	£6.14
	Left hand seg mono ridge End cap	427*	each	£11.96
	Right hand seg mono ridge End cap	428*	each	£11.96
	Left Hand Modern mono ridge end cap	408*	each	£11.96
	Right Hand Modern mono ridge end cap	409*	each	£11.96

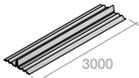

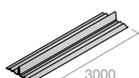

\* Suffix with colour code: 01 Grey, 03 Brown, 04 Terracotta.

† For Lincoln, contact the Technical Advisory Service.

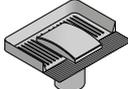

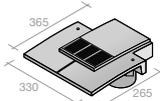

### Dry verge refurbishment kit

		Code	Unit	Price
	Dry verge refurbishment kit (contains 24 batten extension units)	53580	pack	£38.30

## DRY VALLEY SYSTEM

		Code	Unit	Price
	High profile GRP valley Trough (3m) Maxima, Lincoln, Eden, Anglia, Ludlow Plus, Ludlow Major, Double Roman, Mendip and Wessex	30421	each	£35.30
	Low profile GRP valley Trough (3m) Modern, Duo Modern, Edgemere range, Ashmore and plain tiles	30422	each	£35.30

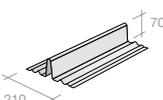

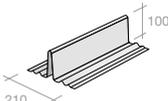

## TILE VENT TERMINALS

		Code	Unit	Price
	Brown	36703	each	£35.11
	Grey	36700	each	£35.11
	Terracotta	36704	each	£35.11
	Universal plain tile vent	455*	each	£79.19

\* Suffix with colour code 01 Grey, 03 Brown, 05 Red. Soaker tray separate

## DRY BONDING GUTTERS

For mortar- free joins between dissimilar roof coverings

		Code	Unit	Price
	Low profile (3m) for: Plain (clay or concrete), Edgemere, Modern, Ashmore and fibre cement slates	40470	each	£25.93
	High profile (3m) For clay or concrete profiled tiles	40471	each	£25.93
